Introduction

Your Policy and Validation Certificate/Invoice

Here is your new Journeyman Policy document. The Validation Certificate/Invoice for this policy is separately enclosed. Please ensure that both documents are kept together and carried with you on your trip.

Policy Underwriters

Optimum Global Insurance Company Limited will provide the services and benefits described in this Policy:

- During the Period of Insurance.
- Within the Geographical Limits.
- Subject to the Limits of Cover, and all other terms, conditions and exclusions contained in this Policy.

AND

- Subject to payment of the appropriate premium.

Important Information

Details of cover are laid out in this Policy, which should be read in conjunction with Your Validation Certificate/Invoice, and We recommend that You read it to satisfy Yourself that this insurance meets Your requirements.

Cancellation:

We hope You are happy with the cover this Policy provides. However, if after reading this Policy this Insurance does not meet with Your requirement, please return it to Your agent within 14 days of issue. We will refund your premium provided the request to cancel is received prior to the effective date of the coverage.

We shall not be bound to accept renewal of any Insurance and may at any time cancel any insurance document by sending 14 days' notice to the Insured at his last known address. Provided the premium has been paid in full the Insured shall be entitled to a proportionate rebate of premium in respect of the un-expired period showing on the Insurance.

Pre-Existing Medical Conditions:

Please note that this insurance contains certain exclusions relating to existing health conditions that affect You, Your Travelling Companions or anyone upon whom Your travel plans may depend:

This insurance excludes any claim arising as a result of a condition deemed to be pre-existing at the time of effecting this Insurance and/or booking

each Trip in respect of Annual Multi-Trip Policies. Pre-existing condition means any illness, injury, condition or symptom:

- For which treatment, or medication, or advice, or diagnosis has been sought or received within the past five years or was foreseeable by You, Your Travelling Companions or anyone upon whom your trip depends prior to the time of effecting this Insurance and/or booking of Your trip, or
- Which originated with reasonable medical certainty or was known to exist by You, Your Travelling Companions or anyone upon whom your trip depends within the five years prior to the effective date of this Insurance and/or booking of Your trip whether or not treatment, or medication, or advice or diagnosis was sought or received.

Note: The above exclusions apply not only to You, but to Close Relatives or other non-travellers on whom the Trip depends.

What to do in the Event of a Medical Emergency

You should first check that the circumstances are covered by referring to the relevant section of Your Policy. Having done this, please contact the 24-hour helpline number listed on Page 1. Give Your name, Master Certificate Number and as much information as possible, together with a telephone or fax number where You can be contacted day or night.

In the case of a serious medical emergency, involving anyone covered by the Policy, notify Us as quickly as possible.

To comply with the terms and conditions of this insurance You must contact our 24-hour Emergency Assistance Centre if you require inpatient treatment, MRI or CT scans, medical evacuation, or repatriation. In the case of an emergency where You are physically prevented from contacting Us immediately, You or someone designated by You must contact us within 48 hours, otherwise we may not pay Your claim.

The emergency service can be contacted twenty-four hours a day. The telephone number to call is listed on Page 2. Your call will be answered by an

experienced assistance co-ordinator to whom You should give all relevant information.

Please ensure You have details of Your Policy before You telephone.

Repatriation of patients

If, in the opinion of Our Medical Advisor, it would be preferable to repatriate a patient to Your Home, We will organise the repatriation. If You do not comply with this decision, We reserve the right to withdraw cover with immediate effect.

The decision on the method of repatriation will be at the discretion of Our Medical Team subject to consultation with the doctor in attendance.

Remember that in the case of patients requiring repatriation, the attending doctor must provide a certificate confirming that the patient is fit to travel, since without this the airline company

operators reserve the right to refuse to carry any sick or injured person.

Confirmation of payment

Hospitals or doctors abroad will be contacted, and their appropriate fees guaranteed, thus eliminating the necessity for You to make payments out of Your holiday funds.

Expenses incurred in providing the above facilities will be met up to the limits specified in this Policy. The operation and availability of the service will be governed by the same general terms, conditions and exclusion that appear in the Policy.

Claims relating to minor illnesses or accidents should be paid by You and reclaimed from Us within 30 days of returning from Your holiday.

Advice on what to do if something goes wrong.

We hope your trip goes smoothly, but if something does happen, we can deal with your claim much more quickly if you know exactly what to do. Therefore, here are the answers to some frequently asked questions:

What if I have to cancel my trip because of illness?

Just ask your doctor to complete and sign the medical certificate included in the cancellation claim form. You will need to send this to us along with your overseas trip booking invoice, receipt and cancellation invoice.

What if I have to cut short my holiday due to accident or illness?

Be sure to obtain a doctor's letter confirming that you need to curtail your trip and return home. We will also need your holiday booking invoice and receipt to support your claim.

What should I do if I'm injured or taken ill during my holiday?

Immediately arrange for any treatment you need, but please be sure you contact us as soon as possible for authorisation before incurring any medical expenses over £500. You must obtain a detailed receipt for all the treatment that you receive.

What if the injury or illness prevents me returning home as planned?

Please get written confirmation from the doctor who is treating you, that you are unfit to travel at the scheduled time.

What should I do if another party is responsible for some of my claims costs?

You must contact us if you are able to recover any part of your claims costs from any other party, for example if you have another insurance policy, cover through a state healthcare system or are legally entitled to recover costs from another third party. We will only pay our proper share.

Important note:

If you need to stay in hospital for more than 24 hours, someone must contact International Emergency Medical Assistance on +44 (0)1892 772575 as soon as possible to advise us of the details. Should you incur any additional expenses

for travel and accommodation, please keep your receipts.

What's the procedure if my baggage is lost, stolen, damaged or delayed?

- If you lose your baggage or it is stolen, report this to the police immediately and get a Police Report.
- If your baggage is lost or damaged whilst being carried by an airline, railway, coach or ship, report this in writing to the carrier as soon as possible (at least within three days). Make sure you receive a Property Irregularity Report or similar documentation. Please keep copies of any correspondence you send or receive, as well as the retained portion of the travel tickets and baggage tickets.
- In the event of your baggage being damaged, obtain an estimate for the repair. If the article is not repairable, get a letter of confirmation from the repairers. Please retain the damaged item wherever possible.
- To support a claim for damaged and lost items we will require receipts showing the purchase price and date of purchase.
- If your baggage is delayed for more than 12 hours, get written confirmation of this from the carrier. You will also need receipts to support your claim for any emergency purchases you have to make.

What if I lose my passport?

Report it to the police immediately and get a Police Report. If you incur costs when obtaining replacement documentation e.g. extra travel, unplanned accommodation or statutory charges, be sure to keep all your receipts.

What if my money is lost or stolen?

- Report this to the police without delay – certainly within 24 hours of discovering the loss. Please get a Police Report.
- If you have lost Travellers Cheques you should report this immediately to the local branch, agent or issuing authority and apply to them for a refund. If, for any reason, you are unsuccessful in getting a refund, you will need a letter from them confirming this fact.

- If you have lost your foreign currency you will need evidence of conversion from the bank, such as a currency conversion bank slip.
- If you have lost sterling or cheques, you will need confirmation of cancelled cheques and bank statements.

What if I miss my plane, train, coach or ferry because of a transport breakdown?

If your transport breaks down, please make every effort to reach the point of departure from or return to the UK on time. Should you still miss your flight, train, coach, ship, ferry, or cross-channel train, get a receipt for any alternative transport needed to reach your destination. If public

transport let you down, please obtain written confirmation from the carrier explaining the cause.

What if my outward or return journey is delayed for more than 12 hours?

Please obtain detailed confirmation from the carrier (or their handling agent) explaining the reasons for the delay, its precise duration and the original itinerary.

What if I accidentally injure someone outside my immediate family and they wish to seek compensation?

We will require the name and address of the person injured; a full description of the injuries suffered; plus full details of the accident – including how, when and where it occurred.

General Conditions

IMPORTANT NOTE: Certain sections of the Policy have particular conditions attaching to them, but these apply to all sections:

1. Before We consider a claim, it is a condition that:
 - 1.1. The answers in any proposal and declaration for this insurance are true and complete to the best of Your knowledge and belief and such proposal and declaration form the basis of this contract.
 - 1.2. You or any person, on whose behalf payment is claimed; observe the terms and conditions of the Policy.
 - 1.3. You take all reasonable steps to prevent accident, injury, illness, disease, loss or damage.
 - 1.4. You produce the Validation Certificate/Invoice as evidence when making a claim.
2. Any Medical information supplied to Us will be treated in the strictest confidence and will be used solely for Our own internal purposes for the assessment of the risk and will not be disclosed to any outside person or authority without the specific approval of the person whose details are given. We shall not refuse cover unless, in Our opinion, the risk associated with the particular person is substantially greater than that represented by the average healthy traveller.
3. During each Period of Insurance, and before You depart on each trip You must declare to Us any change in Your health or medical status, or changes in the health or medical status of any Close Relative on whom travel plans depend. We must accept this change in writing before cover will be continued.
4. We will not refund any premium paid after 14 days from the issue date of this Policy unless as a result of cancellation by Us.
5. You must exercise reasonable care for the supervision and safety of Your property and of Your person. You must take all reasonable steps to avoid or minimise any claim. You must act as if You are not Insured.
6. You must avoid needless self-exposure to peril unless You are attempting to save human life.
7. We will make every effort to apply the full range of services in all circumstances dictated by the terms and conditions. Remote geographical locations or unforeseeable adverse local conditions may preclude the normal standard of service being provided. In all cases where such difficulties exist, the full monetary benefits of the insurance cover will apply.
8. You must comply in full with the terms and conditions of this Policy before a claim will be paid. Please read this Policy carefully in conjunction with Your Validation Certificate/Invoice, and if unsure as to what is covered or excluded, contact the Policy Helpline.
9. In case of an emergency or of any occurrence, which may give rise to a claim for costs in excess of £500 under this insurance, You must contact Us as soon as practicable. You must make no admission, offer, promise or payment without Our prior consent. Telephone Us first.
10. We are entitled to take over Your rights in the defence or settlement of a claim, or to take proceeding in Your name for Our own benefit against another party and We shall have full discretion in such matters.
11. We may, at any time, pay to You our full liability under this Policy after which no further liability shall attach to Us in any respect or as a consequence of such action.
12. You must take all practicable steps to recover any article lost or stolen and to identify and ensure the prosecution of the guilty Person(s). We may at any time at our expense take such action as We deem fit for the recovery of the property lost or stated to be lost. You must provide a police report to substantiate any claim for lost or stolen items.
13. In the event of a valid claim, You shall allow Us the use of any relevant travel tickets You are not able to use because of the claim. All receipts submitted as part of a valid claim shall be retained by Us.

14. You must give us written notice of any event, which may lead to a claim, within 28 days of Your return Home to the country of departure.
15. As often as We require You shall submit to medical examination at Our expense. In case of the death of an Insured Person We shall be entitled to have a postmortem examination carried out at Our expense. You must supply Us with a written statement substantiating Your claim, together with (at Your own expense) all certificates, information, evidence and receipts that We require.
16. You will be required to reimburse to Us, within one month of Our request to You, any costs or expenses We have paid out on Your behalf which are not covered under the terms of the Insurance.
17. You must pay the appropriate premium for the full number of days comprising Your planned Trip. If Your Trip is planned to exceed the number of days for which You have purchased insurance then no cover at all shall apply in respect of that Trip and You will need to make alternative insurance arrangements.
18. This contract has been entered into in the United Kingdom and is subject to the laws of the island of Guernsey
19. No provision or condition of this Policy may be waived or modified except by an endorsement signed by an authorised official on behalf of Us.
20. If any claim under this Policy is fraudulent in any respect or if any fraudulent means or devices (including inflation or exaggeration of the claim or submission of forged or falsified documents) are used by You or anyone acting on Your behalf to claim under this Policy, this Policy shall become void and the premium paid shall be forfeited. Any benefits so claimed and received must be repaid to Us.
